1.	<p><b>Status on next championship. I was informed by Jens this morning, that nothing has been decided yet. Have any of you any updates?</b> The Evaluation report from the Nordic Championship 2019 is now send to the NKU board. We hope that the NKU board can follow it up as fast as possible since we really need a decision on when and where the next Championship will take place.</p>	
2	<p><b>Updated version of the regulations. Discuss and agree.</b> We finished the document during the meeting. Iris will add the deduction types in the end of the document.</p> <p>We discussed awarding the winner of the Nordic championship a title and decided to discuss this with our national kennel clubs and add it to the regulations.</p>	Iris  All
3	<p><b>Exercises.</b> We all agree on that we add the signs we have decided to add in the FCI signs, and also add some more signs from Denmark. Also we skip the same signs that we have removed from the FCI signs.</p> <p>We need to rearrange the signs, design the new signs and also suggest what level the signs should be in. Solveig will make a proposal that she will put in the Facebook-group for the Committee.</p> <p>Beatrice will write the descriptions, and send it to Solveig.</p>	Solveig  Beatrice
4	<p><b>Information about preparations for championship 2020 in each country.</b></p> <ul style="list-style-type: none"> <li>- Denmark, the same as last year, but add two competitions. They also open for other countries to participate.</li> <li>- Finland: the teams need to have five result from three different judges. Based on the points from the five results 30 teams will be able to compete in an official competition in may + an unofficial competition. The top six results combined will be the national team.</li> <li>-Sweden; the 6 best results of the year + the winner of the Sweden National Championship. But this is not decided yet.</li> <li>- Norway; a troupe with 15 teams. Out of that troupe; the best in the National Championship + the four with the most rankingpoints.</li> </ul>	

5	<p><b>Discussions and decisions on Facebook vs. mail and how to include in the discussions/correspondence.</b></p> <p>- We continue with Facebook, and if we use email, we inform on Facebook.</p>	
6	<p><b>How to work with judging matters in the committee, if a member is not a judge. In Denmark 3 of 5 in our rally committee are not judges, so if one of the non-judges should represent DKK, we need to agree how to get judges decisions confirmed.</b></p> <p>- That will not be a discussion, because we just want judges in the NKU Committee.</p>	
7	<p><b>AOB.</b></p> <p>- Paul will write a specification for the organisation for the Nordic Rally Obedience Championships. We use the FCI agility as a base.</p> <p>-Guidelines, deductions. Discussion before and after what we want to change. Wee need to agree on a face to face meeting so we can talk about this. February 19<sup>th</sup> at the SKK. Beatrice check if its possible to rent a room that day at SKK.</p> <p>- We also decided to have a NKU Committee meeting September 19<sup>th</sup> in Norway. Solveig need to find a location, and also write an invitation.</p>	<p>Paul</p> <p>Beatrice</p> <p>Solveig</p>
